

AMENDMENT

National Park Service Operating Standards for Campground Standard Number (10-CAM)

And

Lake Mead National Recreation Area Supplemental Element to the

National Operating Standards for Site Infrastructure, Campground Standard Number (10-CAM)

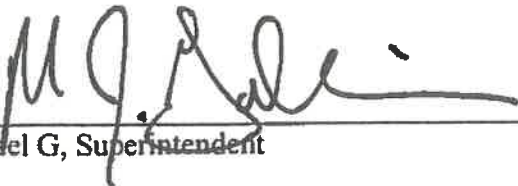

I. The Operating Standards for Campground, Site Infrastructure, #57 (B) Obstructions, Lake Mead NRA Supplemental Elements, as implemented by the Superintendent, Lake Mead National Recreation Area (NRA), on May 10, 2024, is hereby amended as follows:

- I. Obstructions, Lake Mead NRA Supplemental Element is amended by updating and adding the clarification of what Lake Mead National Recreation Area denotes as "one vehicle."

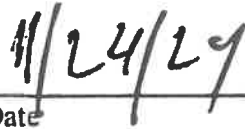

The following approved list is what constitutes "one vehicle."

- Automobile
- Truck
- Boat Trailer with or without a boat on trailer
- Personal Watercraft trailer, with or without PWC'(S)on trailer
- Cargo Trailer or Utility Trailer or Horse Trailer
- Golf Cart (4 person max)
- All-terrain vehicle (ATV) or Utility Terrain Vehicle (UTV)

II. This Amendment shall be effective on and after the date of the signature of the Superintendent.

Michael G, Superintendent
